Spirit of Main Street

GEORGE ALEXANDER, owner of Eau Gallie Ace Hardware, for exhibiting the true spirit of Main Street. George and his merry elves volunteer every year to take over Eau Gallie Square and decorate for the Holiday Tree Lighting. That is a tremendous contribution of time and effort and the best example of what main street volunteerism is all about.

Special thanks to Nancy Dillen and Carl Kaiserman for their boundless dedication to the Outdoor Art Museum, mosaic and mural tours.
